

Programs offered for the 2025-26 academic session include the following:

Faculty of Arts: Five Year Integrated Masters Programme (FYIMP) in Assamese (40 seats), English (40 seats), Economics (40 seats), Political Science (40 seats), Sociology (40 seats), Liberal Arts (40 seats), Development Studies (40 seats), Comparative Literature (40 seats), Integrated MSW (40 seats). Two-Year PG Programmes: M.A. in Assamese (30 seats), English (30 seats), Economics (60 seats), Political Science (30 seats), Sociology (30 seats), Masters in Social Work (30 seats), M.A. in Liberal Arts (30 seats), Developmental Studies (50 seats), Comparative Literature (30 seats).

Faculty of Engineering and Technology: B.Tech in Computer Science and Engineering (60 seats), CSE (Artificial Intelligence and Machine Learning) (60 seats), Computer Science and Business Science (60 seats), Electronics and Communication Engineering (60 seats). Two-Year PG Programmes: M.Tech in Computer Science and Engineering (30 seats), Cyber Security (30 seats), Master of Computer Application (60 seats), M.Sc. in Cybersecurity (30 seats), Data Science (30 seats), Geoinformatics with AI and ML (30 seats). Post Graduate Diploma in GIS and Remote Sensing (30 seats), Bamboo Technology (30 seats). Five Year Integrated Masters Programme (FYIMP) in MCA (40 seats), MVoC (40 seats).

Faculty of Sciences: Five Year Integrated Post Graduate Programme (FYIPGP) in Micro Electronics and Semiconductor (40 seats), Applied Science (Chemistry, Physics, Mathematics) (40 seats), Medical Laboratory Technology (40 seats), Ancient and Modern Sciences (40 seats). Two-Year PG Programmes: M.Sc. in Forensic Science (20 seats), Food Technology (20 seats), Economics (60 seats), Ancient and Modern Science (30 seats), Development Studies (50 seats). Post Graduate Diploma in Biodiversity (30 seats).

Faculty of Management Science: Five Year Integrated Masters Programme (FYIMP) in General Management (40 seats), Tourism and Hospitality Management (40 seats), Agri-Business Management (40 seats), Rural Management (40 seats), Tea Plantation Management and Processing Technology (40 seats), Health Care and Hospital Management (40 seats), Sustainable and Holistic Management (40 seats). Two-Year MBA Programmes: General Management (AICTE Approved, 60 seats), Tourism and Hospitality Management (50 seats), Agri-Business Management (50 seats), Rural Management (50 seats), Tea Plantation Management and Processing Technology (50 seats), Health Care and Hospital Management (40 seats), Sustainable and Holistic Management (40 seats).

Faculty of Medicine: Bachelor in Naturopathy and Yogic Science (BNYS) (50 seats), Bachelor of Physiotherapy (BPT) (30 seats).

Faculty of Agriculture: B.Sc. (Hons) Agriculture (50 seats), B.Sc. (Hons) Horticulture (50 seats). Post Graduate Diploma in Sericulture (30 seats).

Faculty of Fishery Science: Bachelor in Fishery Science (B.F.Sc) (50 seats). Post Graduate Diploma in Fishery Science (30 seats).

Ph.D. programs are offered in various disciplines. Additional seats are available under the Endowment Scheme.

Eligibility criteria for admission are as follows:

Faculty of Arts FYIMP (Assamese, English, Economics, Political Science, Sociology, Liberal Arts, Development Studies, Comparative Literature, Integrated MSW): 10+2 standard pass in any stream. Two-Year PG Programmes (M.A. in Assamese, English, Economics, Political Science, Sociology): Bachelor's degree in the concerned subject. Masters in Social Work, M.A. in Liberal Arts, Developmental Studies, Comparative Literature: Bachelor's degree in any discipline.

Faculty of Engineering and Technology B.Tech (Computer Science and Engineering, CSE AI and ML, Computer Science and Business Science, Electronics and Communication Engineering): 10+2 standard passed in Science Stream and as per AICTE norms. M.Tech in Computer Science and Engineering: BE/B.Tech or equivalent in Computer Science and Engineering or MCA and as per AICTE norms. M.Tech in Cyber Security: B.E./B.Tech in Computer Engineering/Technology,

Computer Science and Engineering, Information Technology, Information and Communication Technology, Electronics and Communications Engineering, or MCA, M.Sc. CSE/IT, or equivalent as per AICTE norms. Master of Computer Application: Any graduation degree, preferably with Mathematics at 10+2 or graduation level. M.Sc. in Cybersecurity: B.E./B.Tech in Computer Engineering, Computer Science and Engineering, Information Technology, Information and Communication Technology, Electronics and Communication Engineering, or B.Sc. (IT/CS/Electronics), or BCA. M.Sc. in Data Science: Bachelor's Degree in Science with Statistics, Mathematics, Physics, Computer Science, Economics, Econometrics, Operational Research, or Engineering/Technology in Computer Science, Information Technology, Electronics, Electronics and Communication, Electrical Engineering, or BCA, B.Sc. (IT), B.Sc. (AI/ML), B.Sc. (Data Science). M.Sc. in Geoinformatics with AI and ML: Bachelor's degree in Science subjects (Botany, Zoology, Chemistry, Physics, Statistics, Geography, Geology, Life Sciences, Environment Sciences, Microbiology, Biotechnology, Fisheries, Marine Biology, Horticulture, Agriculture, Computer Science, Data Science, Veterinary Science, Health Sciences) or Engineering or relevant Social Science and Management Studies. Post Graduate Diploma in GIS and Remote Sensing, Bamboo Technology: Bachelor's degree with Major/Honors in the relevant subject or any discipline. FYIMP MCA, MVoC: 10+2 standard pass in any stream or equivalent.

Faculty of Sciences FYIPGP Micro Electronics and Semiconductor: 10+2 standard pass with Physics and Mathematics. Applied Science: 10+2 standard pass in science stream with Physics, Chemistry, and Mathematics. Medical Laboratory Technology: 10+2 standard pass with Physics, Chemistry, and Biology. Ancient and Modern Sciences: 10+2 pass in Science Stream. M.Sc. in Forensic Science: Bachelor's Degree in Science, Forensic Science, Medicine, Engineering & Technology, Pharmacy, Dentistry, Ayush. M.Sc. in Food Technology: Bachelor's Degree in Science, Agriculture, Engineering, Technology. M.Sc. in Economics: Graduate in science stream with Economics, Mathematics, and Statistics or Engineering Graduates. M.Sc. in Development Studies: Bachelor's Degree with Major/Honors in the relevant discipline. Post Graduate Diploma in Biodiversity: Bachelor's degree with Major/Honors in the relevant subject.

Faculty of Management Science FYIMP (Hospitality Management, General Management, Agri-Business Management, Rural Management, Tea Plantation Management and Processing Technology, Health Care and Hospital Management, Sustainable and Holistic Management): 10+2 standard pass in any stream. Two-Year MBA Programmes: Bachelor Degree of minimum 3 years duration.

Faculty of Medicine BNYS, BPT: 10+2 standard pass with Physics, Chemistry, and Biology.

Faculty of Agriculture B.Sc. (Hons) Agriculture, Horticulture: 10+2 standard pass in Science Stream. Post Graduate Diploma in Sericulture: Bachelor's degree in Sericulture/Biological Science.

Faculty of Fishery Science B.F.Sc: 10+2 standard pass in Science Stream. Post Graduate Diploma in Fishery Science: Bachelor's degree with Major/Honors in the relevant subject.

Admission procedure involves filling an online application form at <https://admission.besrv.ac.in> for UG/PG/Diploma programs, with application fees of Rs. 750 for General/Other Backward categories and Rs. 500 for SC/ST categories, paid via bank transfer and uploaded as a receipt. For Five Year Integrated Masters programs, candidates apply through the Assam Higher Education Admission web portal at <https://assamadmission.samarth.ac.in>. Postgraduate programs may require an entrance examination if applications exceed seat capacity; otherwise, admission is based on UG final percentage or CGPA. Admission requires fulfilling eligibility criteria, submitting original and self-attested copies of certificates, marksheets, and other documents, and paying the admission fee.

Examination procedures include In-Semester Assessments (40% of total marks, with two sessional tests and other tools like seminars, group discussions, or projects) and End Semester Examinations. Students must attend two In-Semester exams to be eligible for End-Semester exams. In-Semester marks are notified within seven days.

Fee structure includes: FYIMP in Arts (Assamese, English, Political Science, Economics, Sociology, Liberal Arts, Development Studies, Comparative Literature) as per government norms, Integrated MSW at Rs. 15,000. FYIMP in Science and Engineering & Technology (Applied Sciences, Micro Electronics and Semiconductor, Medical Lab Technology, Ancient and Modern Science, MCA) at Rs. 22,800. FYIMP in Management (Tourism and Hospitality, Agri-Business, Rural, Tea Plantation, Health Care, Sustainable and Holistic) at Rs. 22,800. UG in Medicine (BNYS, BPT) at Rs. 40,000. UG in Agriculture (B.Sc. Hons Agriculture, Horticulture) at Rs. 40,000. B.Tech programs (CSE, CSE AI/ML, Computer Science and Business System, Electronics and Communication, Lateral Entry) at Rs. 23,200.
